

Angela's Flip Zone – Spring Recital Costume Order Form & Same Show Sibling Request Form

Due NO LATER than Saturday, February 11th!

We would like all of our families to have their siblings in the same show if it is at all possible. Once you submit your costume payment with this form we will try our best to make sure your children are dancing in the same show. The earlier the forms are turned in the better chance that we can accommodate your family's request. Please note Kinetic Energy and Dance Company students will be performing in both shows.

***Are you interested in volunteering as a backstage helper? Volunteers receive a complimentary ticket to a performance of their choice and are able to purchase reserved tickets before the pre-sale (no need to wait in the pre-sale line☺). We suggest you volunteer backstage at the show your daughter is not dancing in so you can still enjoy their performance in the audience, or during one of the 2 if they are in both). We will have a mandatory volunteer meeting before the pre-sale where we will go over all the details and you will be able to purchase your family's tickets.**
